SUMMARY

Simply Be is a 58ft enclosed cruiser stern Narrowboat, built by in 2022 by Bickerstaffe Boat Company, who many will know as the manufacturer of Narrowboat "Silver Fox", made famous by the Foxes Afloat and their YouTube channel.

Simply Be has a striking exterior, painted in metallic blue with black detailing, and with chrome fixtures and fittings, she also has bonded opening windows with privacy glass, giving the boat a modern look. The bow and stern are fully covered with folding canopies, the stern being a large area, with seating, doubling as a great area for entertaining.

Simply Be is powered by a modern 42hp Vetus engine located under the aft deck. She also has a Vetus bow thruster to aid manoeuvrability.
